v.

AFFIDAVIT OF TERENCE WRONG IN RESPONSE TO SUBPOENA OF
AMERICAN BROADCASTING SYSTEMS, INC.

Terence Wrong deposes and says:

1. My name is Terence Wrong. I am employed as a Senior Producer for American Broadcasting Companies, Inc. ("ABC"). I have been employed by ABC for approximately 18 years.

2. In 2001, I was the Executive Producer for the ABC series Boston 24/7. As Executive Producer, I was personally involved in the preparation and production of the Boston 24/7 series, including arrangements made with the City of Boston for a cameraman working for ABC to accompany members of the Boston Police Department and other law enforcement officials as they performed their official duties.

3. I have reviewed the subpoena addressed to American Broadcasting Systems, Inc. attached hereto as Exhibit A in order to determine if ABC has any documents responsive to the subpoena. Specifically, I was asked to locate (a) any and all film relating to the filming of 1587 Commonwealth Avenue, Boston, MA or

27 Spring Street, West Roxbury, MA, on either February 21 or 22, 2001; (b) any and all correspondence between ABC and the City of Boston, the Boston Police Department or the Suffolk County District Attorney's Office concerning the filming of 1587 Commonwealth Avenue, Boston, MA or 27 Spring Street, West Roxbury, MA, on either February 21 or 22, 2001 or concerning Leon Robinson; and (c) any correspondence between those same entities concerning a December 5, 2003 subpoena served on ABC (a copy of which I understand to be attached hereto as Exhibit B).

4. ABC has no film or videotape of any filming of either 1587 Commonwealth Avenue, Boston, MA or 27 Spring Street, West Roxbury, MA, on either February 21 or 22, 2001. A Boston 24/7 cameraman named Dennis McCarthy did accompany Boston Police Department officers on or about February 21 and/or February 22, 2001 as they investigated the murder of a man in a Brighton barbershop. None of the footage ever was used in any ABC broadcast.

5. The last time I saw the videotapes taken of the Brighton murder investigation was when I put them in a suitcase of mine. I left the suitcase, with the videotapes inside, in a taxi cab in Boston. Neither the suitcase nor the videotapes (or any other contents of the suitcase) ever were recovered. My best memory is that I lost the suitcase at some point in the early months of 2001.

6. I do not recall hearing anything about the videotapes again until approximately December 2003 when I was advised that ABC had received a subpoena for the videotapes. I had lost the suitcase and the videotapes long before I learned of this subpoena. I informed ABC that I had lost the videotapes and that we had no other copies in our possession.

7. I am not aware of any correspondence between ABC and the City of Boston, the Boston Police Department or the Suffolk County District Attorney's Office concerning the filming of 1587 Commonwealth Avenue, Boston, MA or 27

Spring Street, West Roxbury, MA, on either February 21 or 22, 2001 or concerning Leon Robinson or the December 5, 2003 subpoena attached hereto as Exhibit B. ABC did sign a contract with the City of Boston concerning the filming of law enforcement activities for Boston 24/7, but I have not been able to locate a copy of that contract. I am not aware of, and do not have copies of any, correspondence between ABC and the City of Boston, the Boston Police Department or the Suffolk County District Attorney's Office concerning the matters stated above. If there were such correspondence, as Executive Producer of Boston 24/7 I believe I would be aware of it.

Signed under the penalties of perjury this 22nd day of February, 2005
